

OUR VOLUNTEER CHAPLAINS INFORMATION SHEET

The Langley Statement of Faith:

We believe all people are made in God's image, loved by Him regardless, called into community, offered renewal by His grace and promised His glory.

Who are Langley?

We are Langley Trust. We help people with convictions to transform their lives. Our work prevents crime, promotes rehabilitation, and reduces the risks of re-offending. As a Christian Charity working across England, we believe everyone deserves another chance.

What does Langley do?

- Langley provides housing, care and resettlement support for people leaving prison.
- Provides specialist advice for people in prison.

Our Christian Faith in Action

Whilst our services are open to those of all faiths or none, our Christian faith is at the heart of all we do. Clients and staff are encouraged to explore the Christian faith through activities such as Alpha and 'Tea, Coffee and God' sessions. There are regular opportunities for prayer in all our services and over the years we have seen many people come to faith and others see their lives enriched by knowing of God's love.

Our volunteer Chaplains

Our volunteer Chaplains are integral to the spiritual health of our services and teams. Working closely with our local and national leaders, they:

- Help to pass on the good news of Jesus' love;
- Spiritually encourage our clients and staff team through pastoral and prayerful support;
- Help to build strong relationships between local churches and the service.

What are we looking for?

We are looking for lively and confident Christians, with a heart and a calling to see broken lives restored. We have a role description and person specification for those who want to know more.

What do we offer?

We offer our volunteer chaplains:

- Induction and ongoing training
- One-to-one supervision and feedback;
- Membership of the Langley Chaplain Network;
- Periodic retreats;
